

Power of Citryne!

Eliminate the effects of hard water scale as well as existing scale in food service equipment!

Systems IV Water Treatment

- Efficiently and safely eliminates the effects of scale
- Allows equipment to operate at optimal performance
- Avoid costly de-liming procedures
- FDA approved
- All Natural
- Eliminates the need for harsh cleaning chemicals or acids

We would be happy to send you a sample of Citryne in a bag. It is our patented formula to eliminate scale. This way you can see for yourself how effective it is. All you have to do is drop a Citryne bag into the utensil holder of your home dishwasher and it will eliminate spotting on your glasses and utensils. Call us at 800-852-4221 to order free samples of Citryne.
